The screenshot displays the Voki website's character creation interface. At the top, an orange navigation bar contains the Voki logo and links for CREATE, PRESENT, CLASSROOM, HANGOUT, PRODUCTS, and PRICING. Below this, a secondary bar includes 'Create Voki', 'My Voki', and links for Teach, FAQ, Support, and Log In. The main workspace is divided into several sections: a left sidebar with a 'NOWOSC' section and a gallery of room images; a central panel with a text input field containing 'witajcie', a character selection area with icons for a boy, a girl, and a robot, and a language dropdown set to 'Polish'; and a right panel featuring a large 3D avatar of a woman with blonde hair and a black hoodie. A blue arrow points from the text on the left to a 'Play' button located at the bottom of the central text input area. Other interface elements include a microphone icon, a phone icon, a folder icon, a star icon, and a 'Save' button. A 'SitePal' advertisement is visible on the far right, and a 'FREE TRIAL' banner is at the bottom.
